

The Center for Watershed Sciences at the University of California, Davis, is seeking a temporary full-time field technician (Junior Specialist) with previous amphibian survey experience to assist in a habitat study on Sierra Nevada yellow-legged frogs.

Open date: February 20th, 2017

Review date: March 20th, 2017 (apply by this date to ensure full consideration by the committee)

Final date: March 24th, 2018

Recruitment announcements including job description and application process are at: <http://johnmuir.ucdavis.edu/junior-specialist-center-for-watershed-sciences-1> and <https://recruit.ucdavis.edu/apply/JPF01463>.

For questions regarding the job duties, please contact Cathy Brown at catbrown@ucdavis.edu. For questions regarding the application requirements or procedures, please contact Sarah Yarnell at smyarnell@ucdavis.edu.

Important:

All applications must be submitted through the recruit.ucdavis.edu website. Please do not apply directly to individual contacts. In addition to completing the formal application, interested individuals should send a brief note of inquiry and a resume to Cathy Brown (catbrown@ucdavis.edu) with subject line reading "2017 SNYLF Positions".
