

Zookeeper – Ectotherms (Open until filled)

The Sedgwick County Zoo is seeking candidates for a zookeeper position in the Department of Ectotherms, which is responsible for the daily care and exhibition of over 175 species throughout the zoo. The preferred candidate will have experience working with a variety of reptiles and amphibians at an AZA facility, living museum, or university. Ectotherms zookeepers also regularly work with terrestrial invertebrates and freshwater fishes as part of their routine responsibilities and experience with those taxa is a plus.

Experience Required

Degree in Zoology or Biology from an accredited college or university. Three to five years' of experience as a zookeeper in an AZA Facility

Perks

This position is full-time and offers a competitive total compensation package that includes medical, dental, vision, life, and retirement.

Sedgwick County Zoo is located in the mid-west where you will enjoy a lower cost of living and short commutes to work and play.

Salary

29,028.00
