

“Amphibian Ally” T-shirt and Bandana Supplies:

- T-shirt or bandana, washed and dried
- Cardboard to separate fabric layers
- Permanent marker or fabric marker (Sharpies work well)

Optional:

- Light-colored washable marker for sketching out your design
- Fabric paint or acrylic paint and paint brush
- Iron and ironing board to heat-set paint
- Straight-edge for aligning text
- Amphibian stencil (see link in event description)
- Tape and scissors for preparing stencils

How to heat-set paint: After allowing 24 hours for the paint to dry, place a piece of parchment paper over the decorated area and iron on medium heat for 2-3 minutes.

Washing instructions: The first time you wash a painted shirt, turn it inside-out and wash on cold with colors only.
